

USER MANUAL

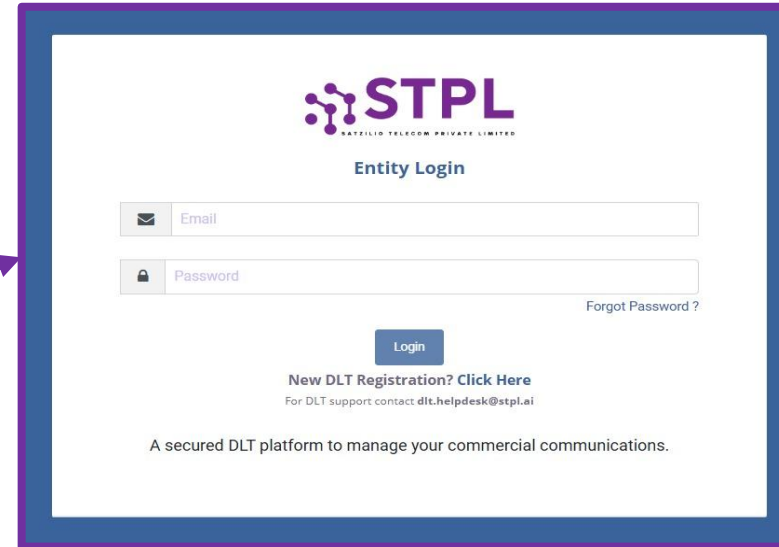

Header Re-Activation Process

Login Page

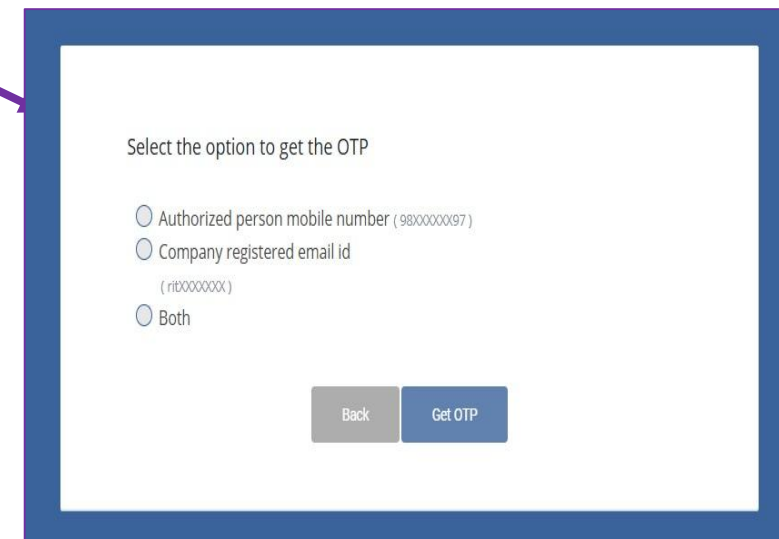

The screenshot shows the STPL Entity Login page. At the top center is the STPL logo with the text "SATZILIO TELECOM PRIVATE LIMITED" below it. Below the logo is the heading "Entity Login". There are two input fields: the first is labeled "Email" with an envelope icon, and the second is labeled "Password" with a lock icon. To the right of the password field is a link that says "Forgot Password?". Below the input fields is a blue "Login" button. Underneath the button is the text "New DLT Registration? Click Here" and "For DLT support contact dlt.helpdesk@stpl.ai". At the bottom of the page is the text "A secured DLT platform to manage your commercial communications."

To login the panel entity needs to submit the valid credentials and complete the 2 way authentication process

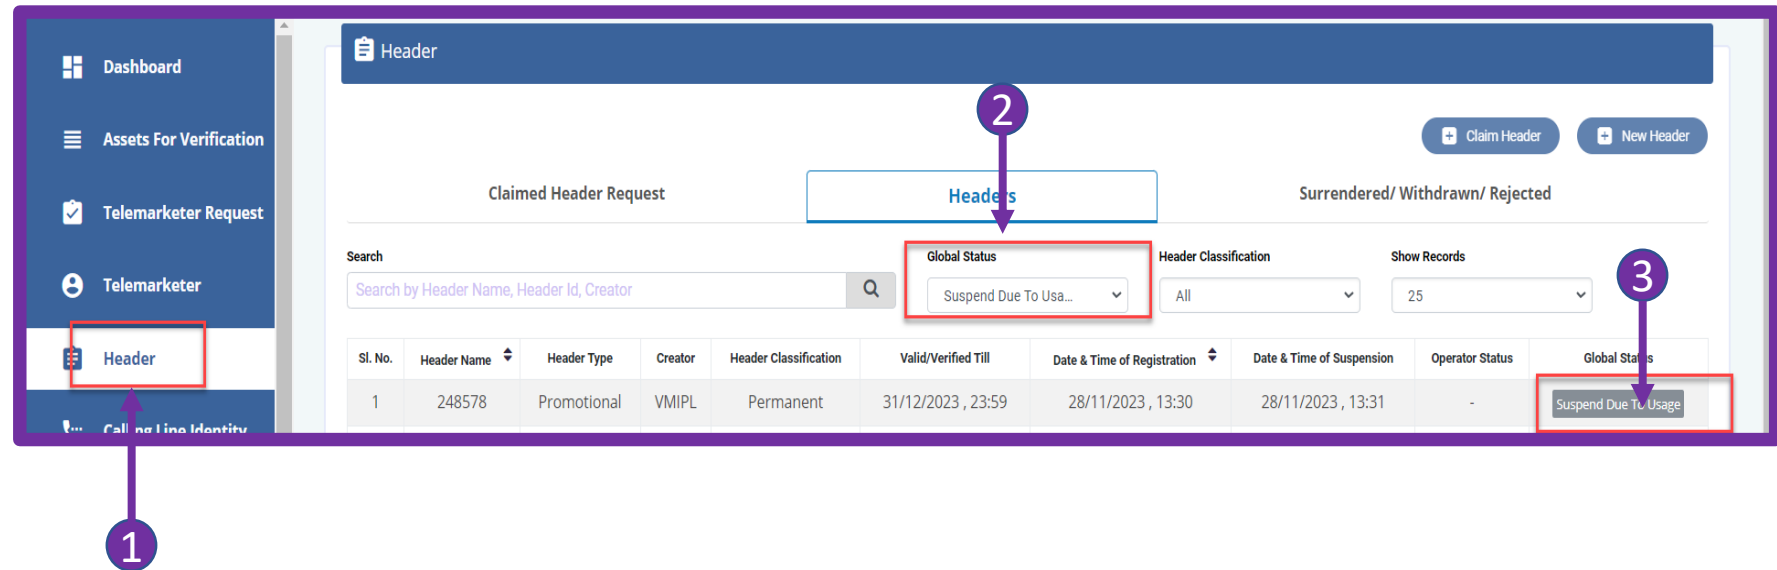

The Entity Login page features the STPL logo at the top. Below it, the title "Entity Login" is centered. There are two input fields: "Email" with an envelope icon and "Password" with a lock icon. A "Forgot Password?" link is positioned to the right of the password field. A blue "Login" button is centered below the fields. Below the button, there is a link for "New DLT Registration? Click Here" and a support contact email "For DLT support: contact.dlt.helpdesk@stpl.ai". At the bottom, a tagline reads "A secured DLT platform to manage your commercial communications."

The "Select the option to get the OTP" page has a heading "Select the option to get the OTP". It contains three radio button options: "Authorized person mobile number (98XXXXXX97)", "Company registered email id (rtbXXXXXXX)", and "Both". At the bottom, there are two buttons: a grey "Back" button and a blue "Get OTP" button.

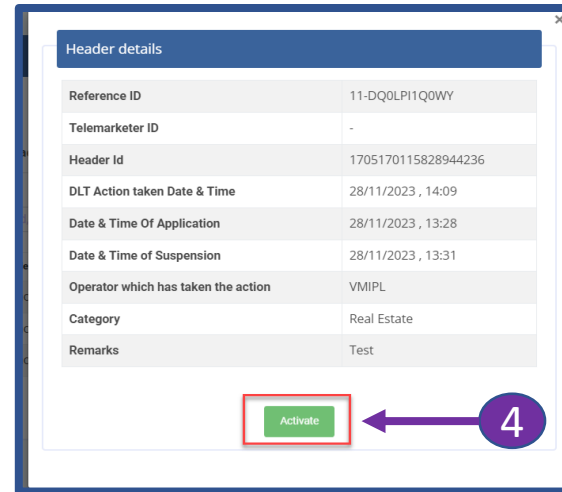

- 1 Click on Header section
- 2 Filter “Suspend Due to Usage” as Status
- 3 Click on Suspend Due to Usage status against respective Header (Created on same panel).

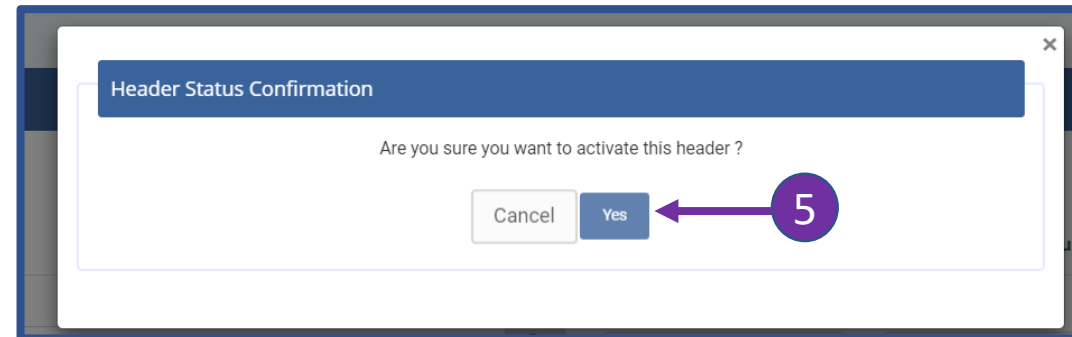

The screenshot shows the 'Header' management interface. On the left is a navigation sidebar with options: Dashboard, Assets For Verification, Telemarketer Request, Telemarketer, Header, and Calling Line Identity. The 'Header' option is highlighted with a red box and a callout '1'. The main content area is titled 'Header' and contains a 'Claimed Header Request' section. A 'Headers' button is highlighted with a blue box and a callout '2'. Below this are search filters: 'Global Status' (set to 'Suspend Due To Usa...' with a red box and callout '2'), 'Header Classification' (set to 'All'), and 'Show Records' (set to '25'). A table below shows header details. The 'Global Status' column for the first header (Sl. No. 1) has a 'Suspend Due To Usage' button highlighted with a red box and a callout '3'.

Sl. No.	Header Name	Header Type	Creator	Header Classification	Valid/Verified Till	Date & Time of Registration	Date & Time of Suspension	Operator Status	Global Status
1	248578	Promotional	VMIPL	Permanent	31/12/2023, 23:59	28/11/2023, 13:30	28/11/2023, 13:31	-	Suspend Due To Usage

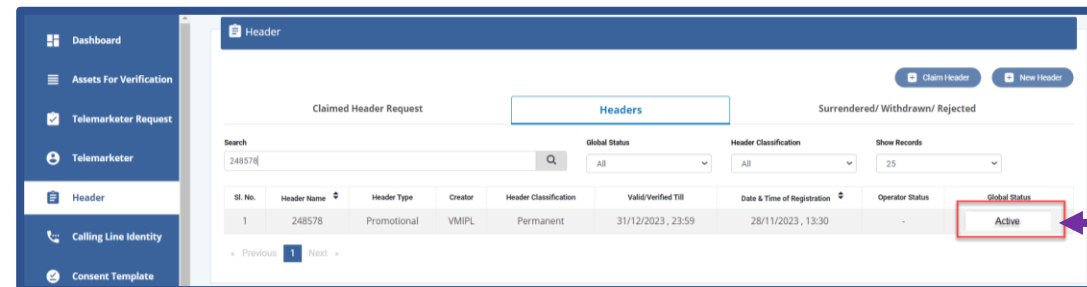

4 Click on Activate button.

5 Once click on Activated Button. It will ask for the Re-confirmation.

6 And status will get changed to "Active".

THANK YOU
